

# OMAR KHALED RIFKY

SOFTWARE ENGINEER

## Education

### Bachelor Degree in Computer Science and Engineering

The German University In Cairo, City | 2015 - 2020

Graduated after a 5 year engineering journey with a GPA of 1.36 which is equivalent to Excellent with honors.

Scored an A+ in my bachelor thesis in Self Driving Cars and was requested to contribute with my work in a research paper to be published in The Joint International Conference on Design and Construction of Smart City Components.

### IGCSE Diploma

Maadi Narmer School, City | 2001 - 2015

Graduated with a score of 98.6%.

## Experience

### Intern

IBM, Cairo | 2018 - 2018

In this internship I was required to develop an application for food ordering using MEAN stack. The most enriching aspect about this experience is seeing how multinational companies operate and how is the work atmosphere in such companies.

### Intern

Three2One, Cairo | 2018 - 2018

In this internship I was within a team that is responsible for developing an application for the company to manage the daily needs of employees such as applying leave requests, salary updates, important announcements etc. In this experience we used Java as a backend for our application and Ionic as a front end and MySQL as a database.

## Courses

2021 - 2021

**Data Science Professional Nanodegree**

Udacity

## Personal information

### Birthdate

5-10-1997

### Residence

Sodic EastTown

### Nationality

Egyptian

## Technical Skills

### Programming Skills

Java

JavaScript

HTML&CSS

Python

MongoDB

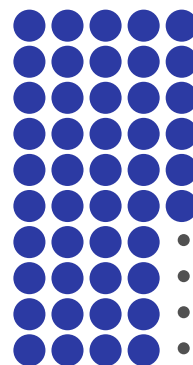

SQL

Angular

Ionic

Arduino

Git

### Frame Works and Concepts

Object Oriented

Programming

Data Structures

and Algorithms

Pandas and

NumPy Libraries

Pytorch Library

## Extra-Curricular Activities

**Participated in MAL**

Won best delegation

**Participated in MUN**

Won best delegation

**Member of AISEC Club**

**Member of Nebny Club**

**Member of Inspire Club**
